

626 Laser Patient Goggle

Features:

Our new 626 Laser Patient Goggle has many features, including:

- Laser lenses that allow visibility during the procedure
- New nose bridges that allow clinicians to use various size bridges
- White inserts made of silicone for patient comfort
- Ability to reduce cross contamination by using a new pair after each procedure
- Flexibility for use in both laser or IPL procedures
- Customizable lenses for a variety of lasers
- Option to cold sterilize or autoclave both silicone inserts and strap

626 KIT INCLUDES:

- 1 626 Laser Goggle
- 5 pairs silicone inserts
- 1 silicone head strap
- 2 silicone nose bridges
 - Pediatric size
 - Adult size

PRICE: \$250.00
